

Fellow Lions of District 105N.

Lions Drapes for use at Deceased Member Funerals.

As you may remember the District 105N holds two Drapes suitable for dressing the coffin of any deceased Lion during their funeral.

It became evident recently that many Clubs were either unaware of their existence or, more likely, they were unaware of their location and whom to contact should they wish to honour a member in this way.

In association with our District Almoner, IPDG Lion David Wilson, I have now established the locations of the two drapes and any Club wishing to use a drape should contact either: -

IPDG Lion David Wilson (Almoner), e mail davidwilson51@hotmail.co.uk Tel. 01723 514529.

OR

PDG Lion George Morgan (Newsletter Editor). e mail gmorgan343@btinternet.com Tel. 01977 704591.

Please allow sufficient time for the drape to be sent by Royal Mail before the funeral and also return it in a timely manner.

PDG Alan Ashburner

Cabinet Secretary, District 105N.
